

Abstract

Keywords: homemaking, fragment, repetition, precarity, process, environment.

To Build A Home: homemaking through drawing and trying to put the pieces together...
Drawing Conversations, Martha Orbach 2023

This paper poses questions about how we make a home amidst these times of crisis. It looks at drawing as a process of homemaking, a means of creating new spaces for habitation, with reference to an ongoing body of work called To Build A Home.
