

## University for the Creative Arts: Tuition Fee Schedule 2019/20

Note 1: These fee rates are valid for the 2019/20 academic year only and are subject to increase in future academic years, including during continued registration. The fees stated for subsequent years of study do not serve as a guide as to what the fee level for that year of study might be in future academic years, as course fee structures change from time to time. Where fee adjustments are made year-on-year on-course to take account of inflation, this adjustment will be at or below the RPI-X forecast rate as advised by the independent Office for Budget Responsibility (OBR) and the Office for Students (OfS).

Note 2b: Overseas students who are new to the University for the Creative Arts and not progressing from a previous course at UCA are eligible for a 4% discount off the full-price tuition fee for the first year of their course providing fees are paid in full prior to enrolment. The 4% discount cannot be combined with any other fee discount or scholarship. The early-payment discount does not apply to standalone pre-session English courses.

Note 3: We do not quote part-time overseas fee rates as overseas students may normally only obtain a student visa for full-time study. Where exceptionally we permit an overseas student to study in part-time mode the Registrar will determine an appropriate fee, based on the pro rata full-time fee rate.

Note 4: For including a pre-session English component, we charge an additional tuition fee as follows: £1,900 for the five-week course; £3,800 for the 10-week course and £5,700 for the fifteen-week course.

Note 5: All amounts quoted are in pounds sterling (£).
