# UNIVERSITY FOR THE CREATIVE ARTS

## Tuition Fee Schedule 2021/22

---

The tuition fees which will be charged by UCA for the 2021/22 academic year are shown on the following page. These should be read in conjunction with the notes below and the UCA Fee Regulations which can be found on our website.

**Note 1:** These fee rates are valid for the 2021/22 academic year only and are subject to increase in future academic years, including during continued registration. The fees stated for subsequent years of study do not serve as a guide as to what the fee level for that year of study might be in future academic years as course fee structures change from time to time. Where fee adjustments are made year-on-year on-course to take account of inflation, this adjustment will be at or below the RPI-X forecast rate as advised by the Office for Budget Responsibility (OBR) and the Office for Students (OfS).

**Note 2:** Fees regulated by the government are subject to changes in legislation and may change from time to time. This schedule will be updated as relevant should changes in government policy lead to amended fee rates.

**Note 3:** Students progressing from a UCA undergraduate degree to a taught postgraduate degree within three years of graduating from that undergraduate degree, may be eligible for a discount to reduce the fee of the first year only of their new or next course; fees set out in this schedule include the discounted rate where applicable. Students should refer to scholarship arrangements for the academic year which they are joining for details.

**Note 4:** All amounts quoted are in pounds sterling (£).
